

## Biostatistics Statement

**Title:** Central Line Associated Bloodstream Infection among Children with Biliary Atresia Listed for Liver Transplantation

The statistical methods used in this manuscript were reviewed by two biostatisticians in the Dan L. Duncan Institute for Clinical and Translational Research at Baylor College of Medicine, Danielle Guffey and Charles Minard. Dr. Minard and Ms. Guffey are also co-authors on the paper.

Respectfully submitted,

A handwritten signature in blue ink, appearing to be 'RH', with a long horizontal stroke extending to the right.

Ryan Himes, MD
