Dear Dr. Lucas:

On behalf of the American Cancer Society, I am pleased to inform you of the award of a Mentored Research Scholar Grants in Applied and Clinical Research to Icahn School of Medicine at Mount Sinai to support your research project: "Effectiveness of Pancreatic Cancer Screening in High-Risk Individuals." The conditions and terms of the award are as follows:

Grant Number:	MRSR-16-015-01 - CPHPS
Award Period:	7/1/2016 through 6/30/2021
Approved Budget:	\$729,000 including indirect costs
Payment Schedule:	Monthly

If you wish to accept this award, please follow the enclosed instructions for submitting an Activation Form with all required signatures. The Society will begin payments on the grant following receipt of this form. The award will be paid in equal installments inclusive of both the direct and indirect dollars. All payments will be made to Icahn School of Medicine at Mount Sinai.

This grant is subject to the Society's "Mentored Research Scholar Grant in Applied and Clinical Research" effective July 2015 (enclosed) including the Society's patent policy. A failure to comply with such Policies or with any other terms in connection with the grant may result in the American Cancer Society suspending or cancelling grant funding, to be decided by the American Cancer Society in its sole discretion. Acceptance of this award confirms that funds to conduct this research are not being provided by any other funding agency. Please note that the Society's policies are updated regularly and that the current version of the policies supersedes any previous versions. The most recent version of the policies can always be found at www.cancer.org/research.

The following conditions also apply to the grant:

- Acknowledgment of American Cancer Society funding by you and by the institution in all public communication of work resulting from this grant, including published studies, media communications, and Internet-based communications as follows: "Aimee Lucas, MD was supported by a Mentored Research Scholar Grants in Applied and Clinical Research, MRSR-16-015-01 - CPHPS, from the American Cancer Society." Please do not abbreviate the name of the Society.
- Timely submission of grant reports. Noncompliance may result in the withholding of payment on all grants in effect at the recipient institution, or on grants that may be awarded in the future, until reports are received.
