English language editing certification

This is to certify that Alpharmaxim Healthcare Communications provided editing services for the manuscript: **Contribution of pancreatic enzyme replacement therapy to survival and quality of life in patients with pancreatic exocrine insufficiency (manuscript no: 45927)**. The manuscript has been thoroughly checked and edited for English language usage, grammar and spelling by one or more of the native English-speaking editors at Alpharmaxim Healthcare Communications.

The manuscript has also been re-read carefully by Josh Lilly PhD, a native English-speaking Senior Medical Writer at Alpharmaxim Healthcare Communications.

A handwritten signature in black ink, appearing to be "J. Lilly", written over a circular scribble.

Josh Lilly PhD,
Senior Medical Writer
