To whom it may concern,

Title of study: Chronic pain, posttraumatic stress disorder, and opioid intake: A systematic review.

This letter is to confirm that I read the methods section of this study and that in my opinion the methodological approach is appropriate for a systematic review of these characteristics. I would be delighted to be contacted if more information regarding to these are required.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca Bendayan". The signature is written in black ink and is underlined with a single horizontal line.
