University of language and business language science

Università Cattolica Milan

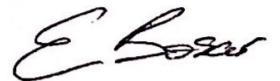

31st December 2019

The manuscript was re-evaluated carefully by Dr. Erica Bosco.

In 2017 Dr. Erica Bosco graduated in "Language and business language science" at Università Cattolica of Milan.

She reviewed the language of the manuscript "A practical review for diagnosis and clinical management of perihilar cholangiocarcinoma".

Dr. Erica Bosco

A handwritten signature in black ink, appearing to read 'E. Bosco', written in a cursive style.
