

March 30, 2018

Dear Baishideng Publishing,

Biostatistics Statement

Article: Dietary modification in the treatment of schizophrenia spectrum disorders: a systematic review,  
Invited Manuscript: 02977177

The search strategy for this systematic review was designed and executed by an experienced medical librarian acting as an independent consultant to the CCNM Department of Research and Clinical Epidemiology department.

Sincerely,

Kieran Cooley  
Director  
Department of Research and Clinical Epidemiology  
Canadian College of Naturopathic Medicine  
Kcooley@ccnm.edu
