BIostatISTICS REVIEW CERTIFICATE

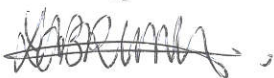

Manuscript NO: 00006208

Title: Subclinical proximal tubulopathy in Hepatitis B: respective role of treatment and virus

I, Anaïs LABRUNIE, biostatistician at the Centre d'Epidémiologie, de Biostatistique et de Méthodologie de la Recherche, from the CHU of Limoges, certified that I performed the statistical analysis of this study.

This certificate is delivered to the concerned person of any purposes for which it may be required.

Anaïs LABRUNIE

A handwritten signature in black ink, appearing to read 'LABRUNIE', with a horizontal line drawn through it.
