We are pleased to inform you that funding in the amount of \$309,729 (see "Proposed Award Data" in Section I) is being awarded to support the above named project. Funds will be provided by fiscal year according to the award calculation and the budget start date. The funding amounts cited in this Notice of Award may not match the allocations provided to your medical center because funds are provided to VA sites by fiscal year. The VA fiscal year starts on October 1st and ends on September 30th each year. Minor changes to the budget will not be reflected here but can be found in the "Pink Sheet" generated from the VA RAFT program. Contact the VA Research Office at your medical center to obtain a copy of your "Pink Sheet" which will provide you with fiscal year funding amounts and will incorporate changes to the budget.

Please refer to Section III for Terms and Conditions of the award.

If you have questions about this award, please contact the individual(s) referenced in Section II below.

Dear Business Official:

The National Institutes of Health hereby awards a grant in the amount of \$517,434 (see "Award Calculation" in Section I and "Terms and Conditions" in Section III) to UNIVERSITY OF NEBRASKA MEDICAL CENTER in support of the above referenced project. This award is pursuant to the authority of 42 USC 241 42 CFR 52 and is subject to the requirements of this statute and regulation and of other referenced, incorporated or attached terms and conditions.

Acceptance of this award including the "Terms and Conditions" is acknowledged by the grantee when funds are drawn down or otherwise obtained from the grant payment system.

Each publication, press release, or other document about research supported by an NIH award must include an acknowledgment of NIH award support and a disclaimer such as "Research reported in this publication was supported by the National Institute Of Diabetes And Digestive And Kidney Diseases of the National Institutes of Health under Award Number R01DK124095. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institutes of Health." Prior to issuing a press release concerning the outcome of this research, please notify the NIH awarding IC in advance to allow for coordination.

Award recipients must promote objectivity in research by establishing standards that provide a reasonable expectation that the design, conduct and reporting of research funded under NIH awards will be free from bias resulting from an Investigator's Financial Conflict of Interest (FCOI), in accordance with the 2011 revised regulation at 42 CFR Part 50 Subpart F. The Institution shall submit all FCOI reports to the NIH through the eRA Commons FCOI Module. The regulation does not apply to Phase I Small Business Innovative Research (SBIR) and Small Business Technology Transfer (STTR) awards. Consult the NIH website <http://grants.nih.gov/grants/policy/coi/> for a link to the regulation and additional important information.

If you have any questions about this award, please contact the individual(s) referenced in Section IV.

Sincerely yours,

Jeni Smits  
Grants Management Officer  
NATIONAL INSTITUTE OF DIABETES AND DIGESTIVE AND KIDNEY DISEASES
