Consolato M Sergi, FRCP (C), MD, MSc, PhD, Editor-in-Chief
Toru Watanabe, MD, PhD, Editor-in-Chief
World Journal of Clinical Pediatrics

Dear Drs. Sergi and Watanabe:

We are re-submitting (Manuscript NO: 56746) for publication our original study titled: ***“Pediatric Surgery During the COVID-19 Era”***.

We would like to thank you for the opportunity to submit a revised manuscript. We have carefully reviewed the recommendations and have revised our manuscript accordingly. Detailed reply to the reviewer's comments are provided below.

Reviewer 1:

Comment R1.0: *“there were some language errors: 1. page 5 “ it is estimated to be approximately 50% in patients diagnosed with severe COVID-19 [6]. “this sentence should be revised. 2. page 9 “choice”?”*

Response:

We have addressed the language errors mentioned by the reviewer, as well as some other additional points (highlighted text).

Thank you for the opportunity to submit a revised version of our manuscript. We hope that we have satisfactorily addressed your concerns.

Sincerely,

Georgios Tsoulfas, M.D., Ph.D., F.I.C.S., F.A.C.S.,
Associate Professor of Surgery
First Department of Surgery, Aristotle University of Thessaloniki,
Thessaloniki, Greece
