Lian-Sheng Ma, Founder and Chief Executive Officer

Rennes,
May 20th, 2020

Dear M. Lian-Sheng Ma,

Please find enclosed the invited editorial for the first issue of *Artificial Intelligence in Cancer Journal*, for which I am currently acting as one of the Editor-in-Chief. I have no Non-Native Speakers of English Editing Certificate but I have written and submitted more than 50 manuscripts to international journals. I hope you will find the manuscript suitable for publication.

Best regards,

Cédric Coulouarn, PhD
