Rita Christopher, MD
Professor

3rd June, 2020

Number ID: 02796507

The manuscript entitled '**Deciphering the modifiers for phenotypic variability of X-linked adrenoleukodystrophy**' was carefully re-read and corrected by the corresponding author, Professor Rita Christopher, who was educated in English medium schools and colleges in India. She has published over 200 papers in national and international peer-reviewed, indexed journals, most of them in Pubmed.

Rita Christopher, MD
