Subject: Confirmation of funding

Dear Dr. Fahmi,

We are pleased to inform you that your application for funding of your research projects, including the study entitled *Regulation of inflammatory and catabolic responses by mesenchymal stem cells*, has been approved.

An amount of \$60,000 will be granted by the Chair in Osteoarthritis of the University of Montreal for its fiscal year 2019-2020.

We wish you much success with your projects.

Sincerely,

Jean-Pierre Pelletier, MD
