

Title: Vasopressin in Vasoplegic Shock: A Systematic Review and Meta-Analysis

Invited manuscript ID: 03219512

To whom it may concern,

This letter is to confirm that the statistics of this study were completed by a qualified research fellow of the Robert D. and Patricia E. Kern Center for the Science of Health Care Delivery at Mayo Clinic and are accurate and appropriate for the methods of this manuscript. I confirm the statistics completed comply with the ethical application of this study.

Please Contact me with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Nathan Smischney". The signature is fluid and cursive, with a prominent initial "N" and "S".
