SPECIFIC COMMENTS TO AUTHORS

- the authors should include a representative figure for this paper in order to improve the readability of the text. Please provide. - the authors should include a table gathering the main findings from literature about all of the clinical fields of application of Thymosin. Specifically, they should distinguish between preclinical and clinical studies. Please provide. - the authors include COVID-19 referral into two section of the manuscript. This is redundant. Please delete the section dedicated to COVID-19 into the "CLINICAL AND COMMERCIAL APPLICATIONS" paragraph.
