Title: What gets in the way of social engagement in schizophrenia?

Manuscript ID: 60153

To whom it may concern,

The statistical methods of this study were conducted by Lauren Weittenhiller and reviewed by Dr. Ann Kring, who have both received relevant statistical education as a facet of their doctoral training. All research studies conducted by this laboratory are conducted by the authors.

Please do not hesitate to contact us if you have any additional questions concerning this manuscript.

Sincerely and for the authors,

A handwritten signature in black ink, reading "Lauren P. Weittenhiller".

Lauren P. Weittenhiller, MA
