## Dr Sarab Mansoor

**Name of Journal:** World Journal of Clinical Cases

**Manuscript Title:** SARS-CoV-2, Surgeons and Surgical Masks.

**Authors:** Mohammad Ibrahim Khalil, Gouri R. Banik, Sarab Mansoor, Amani S. Alqahtani, Harunor Rashid.

The manuscript was re-read and where needed was edited by me, Dr Sarab Mansoor. I had all my schoolings in English and completed PhD in Australia, conducted research at the University of Sydney where I am currently a faculty member. I also lectured at the University of New England for a few years before coming back to the University of Sydney, all in English. I examined two PhD theses both written in English and many MSc research projects. I lecture, write, read student assignments, and mark in English. I have authored manuscripts, conversation pieces, guidelines, protocols and grants, all in English.

Sincerely

*Sarab M*
