It is a condition of this approval that all project animal details be made available to Animal House OIC.
(UAEC Ruling 14/12/2001)

The Chief Investigator takes responsibility for ensuring all legislative, regulatory and compliance objectives are satisfied for this project. The Chief and Alternative Investigators are jointly responsible for ensuring the project has, at all times, a nominated Chief Investigator. In the event that a regulatory obligation must be fulfilled and the nominated Chief Investigator is unavailable to satisfy that obligation, the obligation will by default fall to the Alternative Investigator.

This certificate supercedes all preceding certificates for this project (i.e. those certificates dated before 12-Jul-2012)
