**Ref:** Your study synopsis entitled "A Retrospective Observations of Chronic Serotonin Syndrome" Submitted to the SVIEC for approval.

**Sub: Approval for conducting the referenced study**

Dear Dr. Sanjay,

The Sumandeep Vidyapeeth Institutional Ethics Committee (SVIEC) is in receipt of your above mentioned study document and as the research study classifies in the minimal risk category; as recommended by HRRP SBKS MI & RC. The SV IEC approves your study to be conducted in the presented form.

The approval remains valid for a period of 1 year. In case the study is not initiated within one year, the Ethics Committee expects to be informed about the reason for the same and a fresh approval will have to be obtained subsequently.

The Sumandeep Vidyapeeth Institutional Ethics Committee expects to be informed about the progress of the study (every 6 months). Any Serious Adverse Event (SAE) occurring in the course of the study, you are requested to inform SVIEC. Also for Serious Adverse Event (SAE) and Adverse Drug Reaction you are requested to inform ADR Monitoring Center of SBKS MI & RC (Department of Pharmacology). If any changes are made in the protocol or patient information/informed consent, you need to inform SVIEC and additional permission is required to be taken. At the completion of the study you are requested to take completion Certificate.
