

Name of Journal: World Journal of Gastrointestinal Endoscopy

Manuscript number: 62260

Manuscript Type: mini review

Title: Endoscopic cryotherapy: indications, techniques, and outcomes involving the gastrointestinal tract

Authors: Amaninder Dhaliwal, Syed M Saghir, Harmeet S Mashiana, Annie Braseth, Banreet S Dhindsa, Daryl Ramai, Pushpak Taunk, Rene Gomez-Esquivel, Aamir Dam, Jason Klapman, Douglas G Adler

Dear Editor,

Please find enclosed the resubmitted revised manuscript for the mini review titled; Endoscopic cryotherapy: indications, techniques, and outcomes involving the gastrointestinal tract; Manuscript

NO.: 62260.

We have read thoroughly all the reviewer comments with the constructive criticism which I do respect for the perfection of the manuscript.

We have taken all comments into consideration, and we answered the questions and revised the text accordingly.

I am herewith attaching the revised manuscript and the point-to-point replies to the reviewers. I always do appreciate very much your support.

With my best regards,
Sincerely,

Amaninder Dhaliwal

Reply to reviewers:

1)The key word “Endoscopic” and “gastrointestinal tract” are missing in the title. Please add them.

We added these key words into our title.

2) The authors did not provide original pictures. Please provide the original figure documents. Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor.

We have prepared our pictures into a PowerPoint and have uploaded it. The pictures are labeled accordingly.

3) If an author of a submission is re-using a figure or figures published elsewhere, or that is copyrighted, the author must provide documentation that the previous publisher or copyright holder has given permission for the figure to be re-published; and correctly indicating the reference source and copyrights. For example, “Figure 1 Histopathological examination by hematoxylin-eosin staining (200 ×). A: Control group; B: Model group; C: Pioglitazone hydrochloride group; D: Chinese herbal medicine group. Citation: Yang JM, Sun Y, Wang M, Zhang XL, Zhang SJ, Gao YS, Chen L, Wu MY, Zhou L, Zhou YM, Wang Y, Zheng FJ, Li YH. Regulatory effect of a Chinese herbal medicine formula on non-alcoholic fatty liver disease. World J Gastroenterol 2019; 25(34): 5105-5119. Copyright ©The Author(s) 2019. Published by Baishideng Publishing Group Inc[6]”. And please cite the reference source in the references list. If the author fails to properly cite the published or copyrighted picture(s) or table(s) as described above, he/she will be subject to withdrawal of the article from BPG publications and may even be held liable.

The pictures included in the figures are our own pictures that we have taken.

4) It is unacceptable to have more than 3 references from the same journal. To resolve this issue and move forward in the peer-review/publication process, the authors must revise the reference list accordingly.

We have made changes to the text accordingly and there are no more than 3 references from the same study.

5) Most of the references are not within 5 years, the author should update the references.

We have updated our references to include more dates within the last 3 years.

6)The Writing should be more logical

We have proofread the manuscript and made changes so that the flow is more logical.
