Dear Editor,

I am pleased to resubmit for publication the revised version of WJSC_ 63741 “Patient-specific induced pluripotent stem cells as “disease-in-a-dish” models for inherited cardiomyopathies and channelopathies – 15 years of research”. We truly appreciate the time and efforts made by the editor and referees in reviewing this manuscript; their feedbacks definitely helped improving the paper.

We have addressed all issues specified in the review reports, and believe that the revised version can meet the journal publication requirements (revisions highlighted in yellow).

I look forward to hearing from you regarding my submission. I would be glad to respond to any further questions and comments that you may have.

Dr. Miruna Micheu
