Prof. Dr. Jia-Ping Yan
Director, Science Editor Development Department
World Journal of Diabetes

Dear Dr. Yan, please find the **REVISED VERSION** of the Review Manuscript number **63835** entitled "**Immunometabolic bases of type 2 diabetes in the severity of SARS-CoV-2 infection (COVID-19)**" authored by **Rebeca Viurcos-Sanabria and Galileo Escobedo**.

I have the pleasure to inform you that we took into account the Reviewer's suggestion and looked for any grammar mistake contained in the manuscript. To do so, we resubmitted the original version of the manuscript to Wordvice, wherein a professional native English-speaking Editor looked and corrected, once again, every single grammar mistake. I want to inform you that the Revised Version of the manuscript has been now significantly improved and I want to thank to the Reviewer for his/her criticism. Please find all corrections to the manuscript marked with yellow color in the Revised Version of the manuscript uploaded as **Supplementary Material**.

We state that this manuscript contains original data and has not been submitted or published earlier in any journal and is not being considered for publication elsewhere. All authors have seen and approved the manuscript and have contributed significantly for the paper. Finally, all the authors declare that there is no conflict of interest regarding the publication of this article.

Sincerely yours,

Dr. Galileo Escobedo
