#### **SPECIFIC COMMENTS TO AUTHORS**

This is a case report (including a literature review) for a rare case of autoimmune enteropathy and primary biliary cholangitis after proctocolectomy for ulcerative colitis. This case reports unique findings and is theoretically based on the current literature. The subject is very important to clinical surgery practice. The paper is well written and provides useful information for the readers.

#### **SPECIFIC COMMENTS TO AUTHORS**

The authors presented an interesting case of PBC and AIE diagnosis in a patient with UC after a colectomy procedure. Based on a review of literature, they put forward a hypothesis explaining the occurrence of the above diseases. The references support the authors' claims in the paper. The manuscript is coherently written.
