### The pressures of COVID-19 on an already stressful ...

<https://hospitalnews.com/the-pressures-of-covid-19...> ▾

Mar 25, 2021 · A year ago, we and other health care providers were dealing with the stress of procuring adequate (or any) personal protective equipment (PPE) for ourselves, and the unknowns involved in caring for seriously ill-patients sickened by the new virus. Now we must deal with the uncertainties of just when and how COVID-19 vaccines will be distributed ...

### Obesity and Mortality Among Patients Diagnosed With ...

<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC7429998>

Therefore, we report our findings on a large cohort of patients in an integrated health care system at the point of diagnosis of COVID-19 to disentangle the effect of BMI, associated comorbidities and medications, time, neighborhood-level income and education, and other factors on the risk for COVID-19, while describing important risk profiles ...
