

Buenos Aires, February 2021

Hiten RH Patel,  
Editor-in-Chief  
World Journal of Clinical Oncology

This is to certify that I have thoroughly read, edited and corrected the English of the manuscript entitled **“Breast cancer: muscarinic receptors as new targets for tumor therapy”** by Alejandro Javier Español, Agustina Reina Salem, Yamila Sanchez and Maria Elena Sales.

Do not hesitate to contact me if you need further information regarding my professional editing service.

Yours faithfully,

**Ma. Victoria Gonzalez Eusevi**
