Responsabile f.f.: Dott. Marco Piero Piccinelli

Cittiglio, March, 10th, 2021

I herewith certify that the statistical analyses included in the paper titled "Rethinking hospital psychiatry in Italy in light of COVID-19 experience" and submitted to the World Journal of Psychiatry were performed by myself, who obtained a PhD in Epidemiological Psychiatry requiring statistical expertise and worked at the Epidemiological Unit of the Local Health District.

This certificate is sent as part of the publication process of the paper mentioned above.

Faithfully,

Dr. Marco Piero Piccinelli
