

March, 2021

To whom it may concern,

Manuscript invitation ID: 00504383.

Title of study: **Potential role of miRNAs in screening for anal cancer in human papilloma virus and HIV related malignancies**

This is to confirm that the corresponding author H. Gali-Muhtasib is a native English speaker and thus we did not seek help from editing services. We will do so if recommended by the editor after the acceptance of the manuscript.

Sincerely Yours,

A handwritten signature in blue ink, appearing to read 'Hala Gali-Muhtasib', is positioned within a light gray rectangular box.

Hala Gali-Muhtasib, PhD

Professor

Department of Biology

Center for Drug Discovery

American University of Beirut

Beirut, Lebanon
