

# Certificate of Biostatistics

21 April 2021

To whom it may concern

Title of Study:

Effects of acupressure in depression: A systematic review and meta-analysis

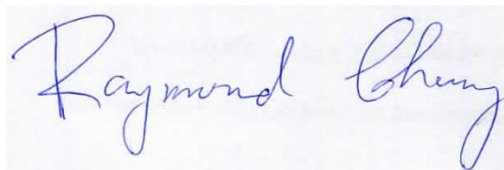

Chief investigator:

Prof. Tsang Wing Hong Hector, Department of Rehabilitation Sciences, The Hong Kong Polytechnic University, Hung Hom, Kowloon.

This letter is to confirm that I have read all the statistical methods and techniques related to systematic reviews and meta-analysis in this manuscript and certify that all of them are appropriate for the research.

Please contact me if you have any further queries.

Sincerely,

A handwritten signature in blue ink that reads "Raymond Chung". The signature is written in a cursive, flowing style.

Dr. Chung Chi Keung Raymond, PhD, Department of Rehabilitation Sciences, The Hong Kong Polytechnic University, Hung Hom, Kowloon.
