SPECIFIC COMMENTS TO AUTHORS

1. This is a Review article. Important papers should be summarized in Table. It is better for journal readers in this field. 2. The reference list should be updated.

Reply: Thank you for your suggestion. We have added a table to list important papers in our re-submit manuscript. We have updated the reference list.

SPECIFIC COMMENTS TO AUTHORS

The manuscript is the literature review about minimally invasive adrenalectomy and isn't focused on retroperitoneal adrenalectomy in complex adrenal tumors (complicated cases of adrenal tumors).

Reply: Thank you for your correction and kind remind. We have taken note of these details. We have added the contents about application of robot assisted surgery in complex adrenal tumors in part 4 of manuscript. (4. Recent progress in surgical treatment of complex adrenal tumors)

Company Editor-in-Chief

Before final acceptance, the author(s) must add a table/figure to the manuscript. In addition, focus on supplementing the content of robot-assisted laparoscopy. Please add robot keywords to the question.

Reply: We have add a table in the re-submit manuscript. We have added the contents about application of robot assisted surgery in complex adrenal tumors in part 4 of manuscript. (4. Recent progress in surgical treatment of complex adrenal tumors)
