

This document certifies that the manuscript
**Prevalence of Precancerous lesions and conditions in India: A Systematic Review and Meta-
Analysis**

prepared by the authors

Dr. Vini Mehta

was edited for proper English language, grammar, punctuation, spelling, and overall style
by one or more of the highly qualified native English speaking editors at STAT SENSE.

This certificate was issued on **April 19, 2022.**

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes.
