

**Non Native Speakers of English Editing Certificate for World Journal of
Gastroenterointestinal endoscopy**

I, Dr. Martin Gómez, the corresponding author of the paper number 76223 titled “
Tracheoesophageal fistulas: an epidemic in the SARS COV 2 pandemic: case
report”, declare that the authors of the present manuscript are non-native English
speaker but our manuscript has been reviewed for clarity by a colleague whose
native language is English.

Martin Gómez, MD, (for all authors)
Associate Professor of Gastroenterology
Universidad Nacional de Colombia
Bogotá D.C, Colombia
