ETHICS COMMITTEE

Case number: 380-59-10106-20-111/153
Class: 641-01/20-02/01

Zagreb, 22 October 2020.

Pursuant to Article 23 of the Ethics Committee Regulations, and with regard to application for ethical approval for research proposal titled **"Emerging and neglected hepatotropic viruses after solid organ and hematopoietic stem cell transplantation"** the Ethics Committee of the University of Zagreb, School of Medicine brought on its meeting held on 22 October 2020 the following

OPINION

The above-referenced research proposal led by **Professor Anna Mrzljak, MD** conforms to the ethical principles and is therefore given ethical approval.

Professor Zdravka Poljakovic
Ethics Committee president
