

A

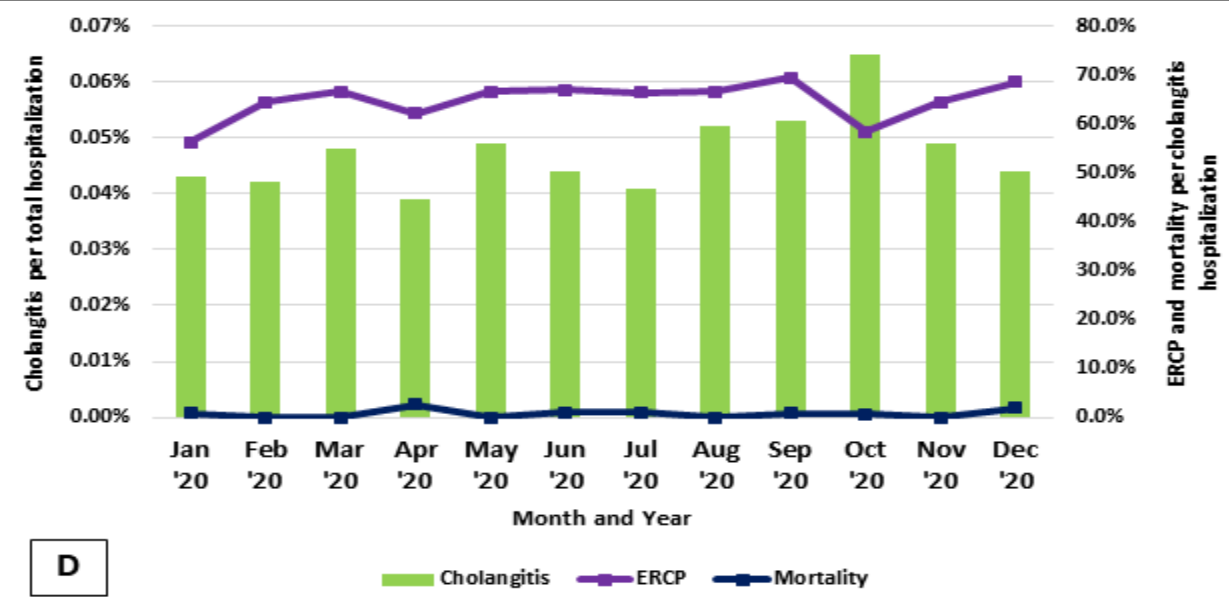

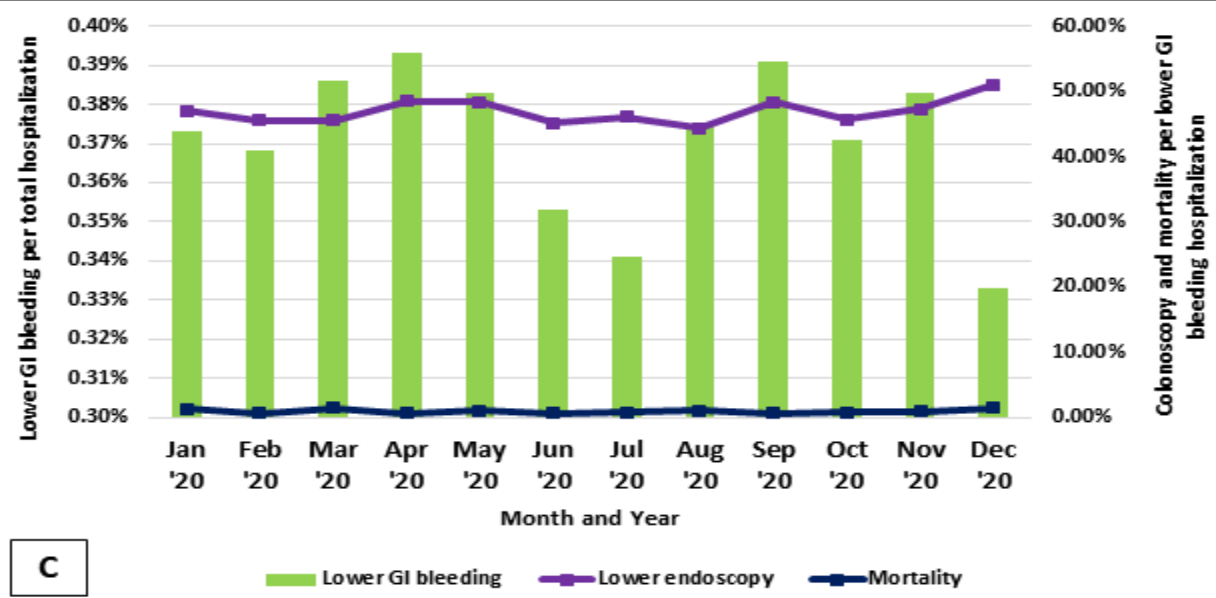

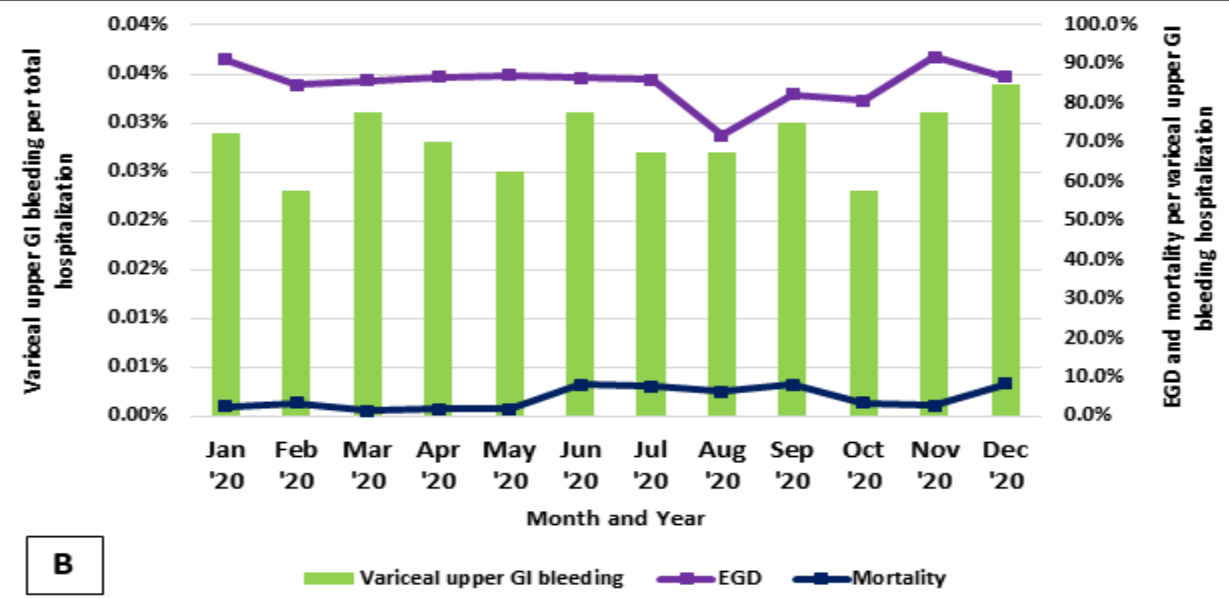

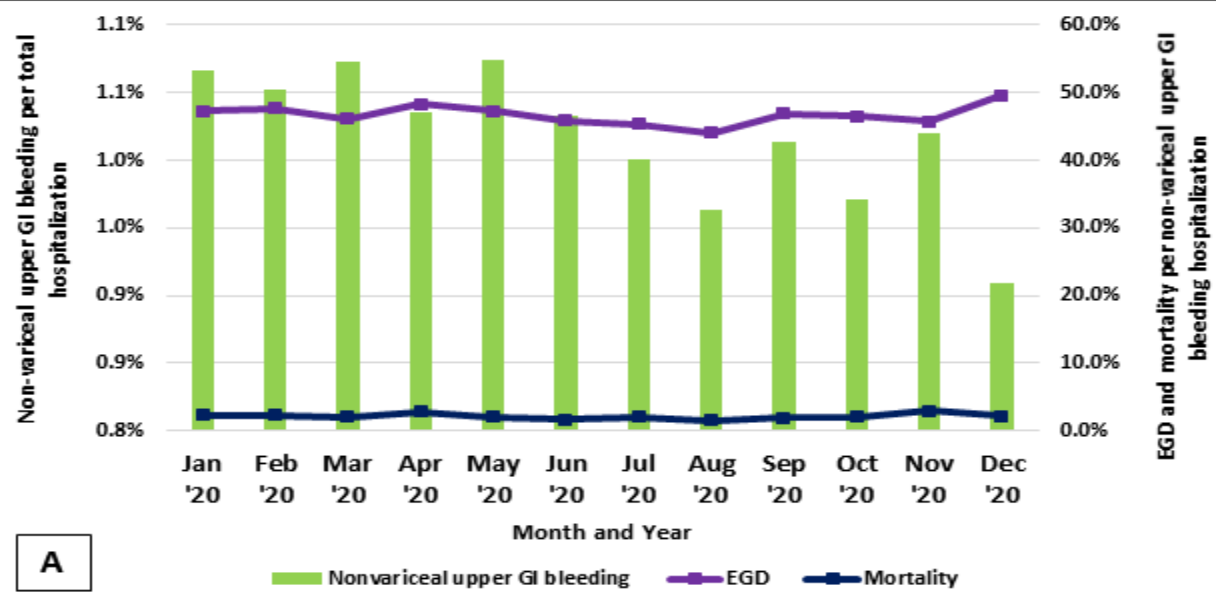

■ Bacterial pneumonia
 ■ Mortality due to bacterial pneumonia
 ■ Viral pneumonia
 ■ Mortality due to viral pneumonia

B

■ Bacterial pneumonia
 ■ Mortality due to bacterial pneumonia
 ■ Viral pneumonia
 ■ Mortality due to viral pneumonia

Supplementary Figure 1. Monthly trends in bacterial pneumonia hospitalizations, bacterial pneumonia/respiratory failure specific mortality, viral pneumonia hospitalizations, and viral pneumonia/respiratory failure specific mortality in 2020 for (A) Crohn's disease, (B) Ulcerative colitis

Supplementary Figure 2. Monthly trends in selected GI conditions, endoscopy interventions, and mortality in 2020. (A) acute nonvariceal hemorrhage hospitalizations, EGD, and mortality; (B) acute variceal hemorrhage hospitalizations, EGD, and mortality; (C) lower GI bleeding, lower endoscopy, and mortality; and (D) acute cholangitis, ERCP, and mortality
