

CONFIDENTIAL
Certificate Service Confirmation

November 4th, 2022

To Whom It May Concern,

Gregory James Dunne provided comprehensive editing services for manuscript entitled: *"Intersections between innate immune response and gastric cancer development"* by the authors Villarroel-Espindola, F., Ejsmentewicz, T., Gonzalez-Stegmaier, R., Jorquera, R., Salinas, E.

The service was requested by Franz Villarroel-Espindola, researcher at the Instituto Oncológico Fundación Arturo López Pérez in the city of Santiago, Chile.

This certificate will be included in the submission of the manuscript NO: 80199 (as a revised version for the reviewers) for the World Journal of Gastroenterology.

The document has achieved publishing quality; no language polishing required after editing.
