Manuscript Number: 80202

Title: Deep Learning based Radiomics for Gastrointestinal Cancer Diagnosis and Treatment: A review

Dear Editor in Chief of World Journal of Gastroenterology,

We are glad to receive the reviewers' and the Editorial Office's comments on our manuscript. The comments are very helpful to our paper. We have revised the manuscript according to the comments, and the revised parts have been highlighted in red in the revised manuscript. Our responses to the comments are shown below:

Response to Editor-In-Chief:

Comment 1: I have reviewed the Peer-Review Report, the full text of the manuscript, and the relevant ethics documents, all of which have met the basic publishing requirements of the World Journal of Gastroenterology, and the manuscript is conditionally accepted. I have sent the manuscript to the author(s) for its revision according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors.

Response 1: Thanks for giving us a conditional acceptance. We have revised the manuscript according to the Peer-Review Report, Editorial Office's comments and the Criteria for Manuscript Revision by Authors, and the revised parts have been highlighted in red in the revised manuscript.

Response to Science Editor:

Comment 1: Language Quality: Grade B (Minor language polishing); Scientific Quality: Grade B (Very good).

Response 1: Thanks for your comment. We have submitted the manuscript to the professional English language editing company, and the manuscript was polished by the editing company. The following is the certificate of language editing.
