To whom it may concern:

The purpose of this letter is to verify that Beijing Yunwei Biotechnology Development Co., LTD provided the English proofreading services for the following manuscript:

Manuscript title: Therapeutic challenge for immunotherapy targeting cold colorectal cancer:A narrative review

Author: Shixun Ma, Li Li, Hui Cai, Tiankang Guo, Leisheng Zhang

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on Jan. 2nd, 2023. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
