

This document certifies that the manuscript

**Clinical Characteristics of Community-Acquired Pneumonia in children caused by  
Mycoplasma Pneumoniae with or without myocardial damage: A single center  
retrospective study**

prepared by the authors

**Shukri Omar Yusuf, Peng Chen**

was edited for proper English language, grammar, punctuation, spelling, and overall style  
by one or more of the highly qualified native English speaking editors at AJE.

This certificate was issued on **March 7, 2023** and may be verified  
on the [AJE website](#) using the verification code **7F9B-9307-8598-56E2-E71B**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final AJE edited version, please visit our verification page at [aje.com/certificate](#). If you have any questions or concerns about this edited document, please contact AJE at [support@aje.com](mailto:support@aje.com).
