## Editorial Declaration

To Whom It May Concern,

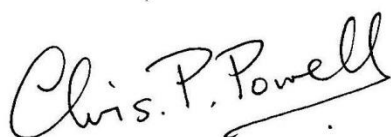

*International School Pisa* provided comprehensive English linguistic editing services for the scientific paper:

**Immunoglobulin A vasculitis nephritis: current understanding of pathogenesis and treatment** by Michela Amatruda, Nicolina Stefania Carucci, Roberto Chimenz and Giovanni Conti, which is under consideration for publication in *World Journal of Nephrology*.

The edit, in terms of language evaluation for scientific journals, involved a thorough proofreading of the article above. This included any necessary adjustments made of grammatical and lexical features.

We are not responsible for any errors in further content that may have been added to our revised version after the date specified above.

Should you require any additional editorial information whatsoever regarding this scientific paper, please do not hesitate to contact me personally.

Director  
International School Pisa  
Christopher P. Powell BSc. PGCE
