

Informed Consent Statement

16th February 2023

Journal: World Journal of Hepatology

Manuscript Type: Retrospective Study

Title: Acute Pancreatitis in Liver Transplant Hospitalizations: Identifying National Trends, Clinical Outcomes and Healthcare Burden in the United States

The data for this study was collected from the National Inpatient Sample (NIS) database. As the NIS database lacks patient-specific and hospital-specific identifiers, this study did not require informed consent. The NIS database is available at: <https://www.hcup-us.ahrq.gov>.
