TO: Savanna Thor, DO, MPH
FROM: SUNY Downstate Health Sciences University IRB & Privacy Board

PROJECT TITLE: [1306045-4] Adenoma prevalence, characteristics, and outcomes on screening colonoscopy in patients with HIV in an Urban Safety Net Hospital and Urban University Hospital

REFERENCE #:
SUBMISSION TYPE: Continuing Review/Progress Report

ACTION: APPROVED

APPROVAL DATE: October 13, 2020

EXPIRATION DATE: October 16, 2021

REVIEW TYPE: Expedited Review

Thank you for your submission of Continuing Review/Progress Report materials for this study. The SUNY Downstate Health Sciences University IRB & Privacy Board Office has APPROVED the above referenced submission from **October 13, 2020 to October 16, 2021**.

The following materials were reviewed by the IRB for this submission package:

- Continuing Review/Progress Report - IRB Form 10.9.docx
- Protocol - DDW HIV and Adenoma Final Submission.docx
- Publication Materials - HIV Adenoma DDW 2020 Poster.pptx
- Training/Certification - citiCompletionReport1765412 human research.pdf
- Training/Certification - citiCompletionReport1765412 citi training group 1 stage 2.pdf

The risk level for this study is no greater than minimal risk.

This study was approved under expedited review category:

- **Expedited research review category #5:** Research involves materials (data, documents, records, or specimens) that have been collected, or will be collected solely for non-research purposes, such as medical treatment or diagnosis. As permitted by OHRP, this category includes research involving materials that were previously collected for either non-research or research purposes, provided that any materials collected for research were not collected for the currently proposed research. Research may involve materials that will be collected solely for non-research purposes.

The IRB reminds the study team of the following:

- IRB approval of this submission does not necessarily constitute final approval to carry out the study. All other necessary approvals are required before the research can begin.

- This research involves NYC H+H, Kings County. The investigators must follow NYC H+H policies, including Operating Procedure No: 180-9. Additional specific reminders are provided below:
 - Obtain STAR approval prior to conducting the research at NYC H+H, Kings County
- Conduct research in accordance with this approved submission, including any IRB decisions, conditions, and requirements or applicable regulations and Downstate policies, including Policy IRB-01. See: <http://research.downstate.edu/irb/irb-policies.html>
- Please refer to the SUNY DOWNSTATE ORA COVID-19 WEBSITE at <https://research.downstate.edu/covid-19-updates.html> for important information that may have a potential impact to Researchers at Downstate.

If you have any questions, please contact the IRB staff at (718) 613-8480 or irb@downstate.edu. Please include your study title and reference number in all correspondence with this office.

The DMC IRB electronically signed this letter in accordance with all applicable regulations. The DMC IRB retains a copy of this letter.
