

CONSENT FORM FOR CASE REPORTS

For a patient's consent to publication of information about them in a journal.

Name of person described in article : Tawheed Rahaman

Subject matter of article : A rare case of Brucella Terminal ileitis

Title of article : Brucellosis, a Diagnostic Dilemma, Presenting Atypically in a child with Terminal Ileitis – Case report and review of literature.

I, Jahan Rahaman, give my consent for this information about my child Tawheed Rahaman, relating to the subject matter above to appear in a journal article.

I understand the following :

1. I had myself taken my child to the paediatrician Dr. Amitava Pahari for consultation.
2. I had gone to Drs. Tribedi & Roy Diagnostic Laboratory for getting my child's blood investigations done.
3. The information regarding my child's case will be published without my child's name and every attempt will be made to ensure anonymity.
4. The information may be published in a journal which is read worldwide or an online journal. Journals are aimed mainly at health care professionals but may be seen by many non-doctors, including journalists.
5. The information may be placed on a website.
6. I can withdraw my consent at any time before online publication, but once the information has been committed to publication it will not be possible to withdraw the consent.
