Certificate

To whom it may concern,

The paper " Emphysematous thrombophlebitis caused by a misplaced central venous catheter: A case report " submitted by Ni Chen, Huajun Chen, Tao Chen, Wen Zhang, Xiaoyun Fu and Zhouxiong Xing has been professionally edited by Dr. Steven Duffy, a professional English language science editor specializing in the revision of life science papers by non-English authors.

Best regards,

Guangzhou Liheng Translation Consulting Co., Ltd
