## JOURNAL EDITORIAL BOARD COMMENTS TO AUTHORS

This is a good case report including the review of cholecystoenteric fistula. Although I can agree with the publication of the paper, I have only one comment. The title of paper "Persistent vomiting and diarrhea in a patient with advanced gallbladder cancer: A case report and review of literature" is not accurately reflect the contents of the paper. The title should be amended as "Cholecystoenteric fistula in a patient with advanced gallbladder cancer: A case report and review of literature".
