

Jong-In Park, Ph.D.  
Professor

Department of Biochemistry

11/30/2023

To whom it may concern,

We submit a manuscript entitled "***Erlotinib combination with a mitochondria-targeted ubiquinone effectively suppresses pancreatic cancer cell survival***" for consideration by *World Journal of Gastroenterology*.

This letter is to confirm that this study doesn't involve any human subjects, therefore, we do not have IRB approval document.

Sincerely,

A handwritten signature in black ink, appearing to read "Jong-In Park".

Jong-In Park, Ph. D.
