

Certificate of Biostatistics

October 19th, 2023

To whom it may concern,

This is to certify that our study titled: **“Comparison of Fungal Vs Bacterial Infections in the Medical Intensive Liver Unit: Cause or Corollary for High Mortality?”** has been conducted with partnership from Cleveland Clinic Foundation’s Department of Quantitative Health Sciences. All statistical analyses were conducted by specialized biostatisticians, in close consultation with our clinical research team. Our contributing statisticians have been included within the authorship of this paper.

Sincerely,

Sarah Khan, MD
