

## Certificate Service Confirmation

**To Whom It May Concern,**

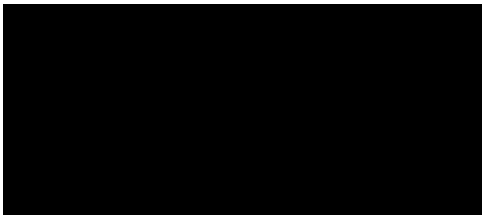

I have provided comprehensive editing services for the manuscript: *High quality repair of osteochondral defects in rats using the extracellular matrix of antler stem cells* by Yusu Wang, Wenhui Chu, Jingjie Zhai, Wenying Wang, Zhongmei He, Quanmin Zhao, Chunyi Li.

The paper is under consideration for publication in your journal. I believe the paper is scientifically sound, and after my editing, there is no further language polishing required.

Should you require any additional information, please do not hesitate to contact me.

Peter Fennessy, Ph.D
