DECLARATION OF ENGLISH LANGUAGE EDITING BY AN PROEFICIENT ENGLISH-SPEAKING EXPERT

This document affirms the linguistic editing conducted on the manuscript titled "Urea breath test for *Helicobacter pylori* infection in adult dyspeptic patients: a meta-analysis of diagnostic test accuracy," submitted to the World Journal of Gastroenterology. The editing process was carried out by an expert proficient in English language skills with the aim of enhancing the paper's linguistic quality. It is crucial to emphasize that no alterations were made to the research content or the original intentions of the author during the entirety of the editing process

Fabício Freire de Melo, PhD

Professor,
