

English Language Editing Certification

To whom it may concern:

This is to certify that the manuscript with No **04913771**, entitled "**Safety and effectiveness of neuromuscular electrical stimulation (NMES) in cardiac surgery: a systematic review**" by authors Christos Kourek et al., submitted for publication to your journal, has been extensively edited for English language usage, grammar, spelling and punctuation.

The edit has achieved Grade A priority publishing policy.

Should you require any further information, do not hesitate to contact me.

Sincerely,

Professional English Language Translator and Editor
