

Dear reviewers,

Thank you for taking the time to review our manuscript titled "Biological scaffold as potential platforms for stem cells: current development and applications in wound healing" and for providing valuable feedback. We sincerely appreciate your insightful comments, which have greatly contributed to the improvement of our work.

We have carefully considered each of your suggestions and have made the necessary revisions to address the concerns raised. The revised/added contents are highlighted with yellow color in the revised manuscript.

We look forward to hearing your feedback on the revised version of our manuscript. Thank you again for your valuable input and for considering our work for publication.

Best regards,

Long xiao
