

## ANSWERING REVIEWERS

April 30, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 9974-revised.doc).

**Title: Small intestinal vascular malformation bleeding: A case report with imaging findings**

**Author:** Jun Cui, Liu-Ye Huang, Shu-Juan Lin, Long-Zhi Yi, Cheng-Rong Wu, Bo Zhang

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 9974

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated, the language was edited by the English language editing company of American Journal Experts, and got a certificate.

2 Revision has been made according to the suggestions of the reviewer

- (1) The key words include the following: small intestine, vascular malformation, bleeding, imaging, diagnosis
- (2) When using abbreviations, I have given the full phrase when first using the abbreviation.
- (3) The figure icons of A, B, C, D, etc were changed to the same size. The arrows in the figure were deleted.
- (4) This is a patient with cavernous angioma at right knee, several years later, small intestinal angioma and vascular malformation was found with double-balloon enteroscopy and CT, it indicated that angioma was multiple in his body.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Cui Jun
