

Format for ANSWERING REVIEWERS

July 25, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 10004-review.doc).

Title: Oesophageal flap valvuloplasty and wrapping suturing technique decreases GERD in dog model

Author: Ji-Gang Dai, Quan-Xing Liu, Xu-Feng Den, Jia-Xin Min

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 10004

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) The abstract should be re-arranged with aim, metod, result and conclusion.

Thank you for this suggestion. We have re-arranged with aim, metod, result and conclusion for the abstract in the revised manuscript.

(2) The introduction should be shorter.

Thank you for your conscientious work. We have rewritten the introduction and deleted some of the longer descriptions based on your valuable suggestion.

(3) A more deeper discussion should be made about the results

This is a really good suggestion. In the revised manuscript, we have rewritten the discussion and made a deeper discussion on our results.

(4) Some minor language polishing should be corrected.

Thank you for your valuable suggestion. We have reedited the manuscript for proper English. We hope that the revised manuscript will leave you with a good impression.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Ji Gang Dai
